The Purchaser's remedies with respect to Hardware found to be defective in material or workmanship shall be limited exclusively to the right of repair or replacement of such defective Hardware. IN NO EVENT SHALL TRIDIUM BE LIABLE FOR CLAIMS (BASED UPON BREACH OF IMPLIED WARRANTY OR OTHERWISE) FOR ANY DAMAGES, WHETHER DIRECT, INDIRECT, FORESEEABLE, CONSEQUENTIAL, OR SPECIAL OR FOR ANY EXPENSES INCURRED BY REASON OF THE USE OR MISUSE OF THE HARDWARE OR SOFTWARE OR FOR ANY SERVICES PERFORMED IN CONNECTION WITH THE HARDWARE OR SOFTWARE. Purchaser's remedies with respect to any services performed shall be re-performance of the services.

Software Maintenance Agreements and Other Support. Purchaser has no implicit or implied right to upgrades other than through the Software Maintenance Agreements that it purchases. Furthermore, Tridium has no obligation to provide any technical support to Purchaser or Purchaser's customers unless specifically agreed to in writing between Tridium and Purchaser.

Acceptance and Cancellation of Orders. Tridium reserves the right to reject, cancel or suspend any orders placed by Purchaser or refuse or delay shipment thereof if Purchaser fails to (i) place a valid order per these Terms and Conditions; (ii) make any payment as provided herein; (iii) meet commercially reasonable credit or financial requirements as determined by Tridium in its sole discretion; or (iv) otherwise comply with any terms or conditions stated herein or in any other agreement between Tridium and Purchaser. Each order that includes Hardware is subject to a minimum billing charge of \$100.00 (this clause does not apply to additions to an existing order). Orders are non-cancellable by Purchaser.

Acceptance of Terms and Conditions. The terms and conditions as stated herein shall apply to each order accepted or shipped by Tridium hereunder. Tridium's offer to sell products to Purchaser is expressly limited to these Terms and Conditions. Tridium hereby expressly objects to any term in any purchase order issued by Purchaser that is in conflict with or in addition to these Terms and Conditions. Any terms or conditions appearing on any order or confirmation received from Purchaser that are different from or in addition to those required hereunder shall not be binding on the parties, even if signed and returned, unless both parties hereto expressly agree in a separate writing to be bound by such separate or additional terms and conditions.

Delivery of Hardware. Tridium will ship each Hardware component to the Purchaser, or the Purchaser's freight forwarder, located within the United States of America, at the address specified in the shipping instructions on the purchase order received from the Purchaser. Tridium reserves the right to ship

Hardware by any means it deems suitable. Tridium will not ship hardware to a location outside the United States of America. All deliveries are F.O.B. (Uniform Commercial Code terms) place of shipment. Purchaser is responsible for all shipping charges in accordance with Tridium's then current shipping and billing practices. Risk of loss shall pass to Purchaser upon Tridium's delivery to the carrier. Purchaser is responsible for import into the country of destination, transport through all countries other than the United States of America, payment of all duties and tariffs, and compliance with all export and import laws.

Delivery of Licensed Materials. Tridium will deliver the software directly to the Purchaser in an electronic file format by making the same available for download by Customer, or if expressly agreed by Tridium, by shipment of a CD-ROM or such other means as determined by Tridium. Any such shipment will be made in accordance with the provisions for delivery of Hardware set forth above.

Export. Software and Hardware, including technical data, is subject to U.S. export control laws, including the U.S. Export Administration Act and its associated regulations, and may be subject to export or import regulations in other countries. Purchaser agrees to comply strictly with all such regulations and acknowledges that it has the responsibility to obtain such licenses to export, re-export, or import the Licensed Materials. Without limiting the generality of the foregoing, the Licensed Materials may not be downloaded, used, sold, resold, sublicensed, diverted, transferred, reshipped, or otherwise exported or re-exported:

- i. in, into or through any country designated as a terrorist supporting country by the U.S. government or any of its agencies;
- ii. in, into or through any country which the U.S. has an embargo or with which the U.S. or any of its agencies maintains comprehensive trade controls;
- iii. to or by a national or resident of the countries described in (i) or (ii); or
- iv. to or by any party included in the United States Department of Commerce's Denied Persons List, Entity List or Unverified List; or the United States Department of the Treasury's Specially Designated Nationals, Specially Designated Global Terrorists, Specially Designated Narcotics Traffickers, Specially Designated Narcotic Traffickers, or Specially Designated Terrorists List; or the United States Department of State's Designated Foreign Terrorist Organizations or Debarred Persons List; or is otherwise designated by the U.S. government or any of its agencies as a party with which it is unlawful to do business.

Payment and Credit Terms. Payment terms are cash in advance or by credit card payment made in advance of shipment unless Tridium has agreed in writing to other credit terms. If Tridium has agreed in writing to extend credit to Purchaser, then payment terms are net-thirty (30) days from date of invoice. If Purchaser fails to pay amounts when due, late charges of the lesser of one point five percent (1.5%) per

month or the maximum allowable under applicable law shall also become payable to Tridium. In addition, failure of Purchaser to fully pay any fees within sixty (60) days after the applicable due date shall be deemed a material breach of these Terms and Conditions, justifying suspension of the performance by Tridium under any and all purchase orders placed by Purchaser, and will be sufficient cause for immediate termination of any such purchase orders by Tridium. Any such suspension does not relieve Purchaser from paying past due fees plus interest and in the event of collection enforcement, Purchaser shall be liable for any costs associated with such collection, including, but not limited to, legal costs, attorneys' fees, court costs and collection agency fees.

Pricing Policy. All prices are stated in, and payable in, U.S. Dollars. Prices are subject to change without notice. Written quotations will be honored for 30 days from the date of quotation or as stated therein. Orders already entered and unshipped on the date of a price change will be invoiced at the prices on the date the order was received. Published prices are exclusive of freight costs. Tridium will add to the amount due under any purchase order the cost of freight whether shipped from a Tridium regional office or from the home office manufacturing facility. Published prices do not include any additional services such as design layout, system drawings, installation drawings, job site labor, shop labor, airfreight or special delivery charges. All labor and expenses for such services will be charged at the rates prevailing at the time and place of occurrence. Published prices do not include duties or sales, use, excise or other similar taxes and shall be paid by Purchaser in addition to the stated price; or in lieu thereof, Purchaser shall provide Tridium with required tax exemption forms.

Returning Hardware. Before returning any Hardware, whether within or outside the Warranty Period, the Purchaser must contact Tridium and obtain a Return Material Authorization (RMA) number by calling Tridium's home office. If Tridium verifies the Hardware is defective, it will issue the Purchaser an RMA number to place on the outer package of the product. Tridium is under no obligation to accept any Hardware without an RMA number on the package. The Purchaser must provide the unit serial number, and Project ID

Hardware and related installed software may be returned for a restocking fee if (i) the cumulative invoiced amount of all returned items purchased under the same purchase order, or series of purchase orders related to the same project, does not exceed \$10,000, (ii) the return is made within thirty (30) days of the date of shipment, and (iii) the returned items are in unopened and new condition. Factory-installed software may not be returned without the related Hardware. A restocking fee equal to 25% of the total amount of Tridium's invoice for the returned hardware, or bundled hardware and software, will be charged. A credit equal to 75% of that invoice amount will be issued upon inspection and validation that the returned items comply with the above requirements. Software

products sold separately may not be returned for credit.

For in-warranty devices, Tridium will, within two business days of receipt of a complete and accurate purchase order for the replacement part and payment for the same by credit card, and subject to product availability, ship replacement units, prepaid via UPS either standard overnight, 2nd day, 3rd day, or UPS Ground in accordance with the Purchaser's requirements. The shipping and delivery terms applicable to such shipments shall be the same as provided above for all other products. When the replacement unit arrives, the Purchaser shall re-pack the defective unit in the same box in which the replacement unit was shipped, and return the same to Tridium. If Tridium receives the failed unit within 45 days from its shipment of the advanced replacement unit, Tridium will credit Purchaser's credit card for the purchase price of the replacement unit. Tridium will provide a 90 day warranty from the date of exchange or the balance of the original warranty period, whichever is longer.

Any action arising from or relating to this Agreement or the conduct of the parties pursuant hereto shall be commenced and heard solely within a

federal or state court of competent jurisdiction found within the boundaries of the United States District Court for the Eastern District of Virginia, Richmond Division, and Tridium and Purchaser each consent to personal jurisdiction and venue in any such court.

*Tridium reserves the right to change (i) payment and credit terms, (ii) pricing policy, (iii) shipping and delivery terms, (iv) fees and credits due in connection with returned Hardware and (v) other terms that do not materially affect Purchaser's rights and obligations to Tridium's then current terms applicable to Purchasers generally upon written notice to Reseller.
